CASPR™

FULL THROTTLE FURNACE & DUCT CLEANING INC.

Technology born in healthcare to protect you and your business

- Self-contained, portable
- Multi-technologies system
- No installation required
- Adjustable purifier and fan
- Low maintenance

CASPR Compact+

The Technology

CASPR Compact substantially reduces odors, visible smoke in the air, and microbial populations in the air and on surfaces, utilizing the Natural Catalytic Converter (NCC) technology.

Perfect for indoor pollution control, odor reduction, contamination prevention, and more.

NCC consists of a special UV light that creates an enhanced catalytic oxidation process resulting in several friendly oxidizers.

Benefits

Up to 99.96% kill rate on surfaces

Effective against bacteria, viruses, and mold

Easy installation, low maintenance

Effective against odors and VOCs

Safe, discreet, and virtually silent
